MEET THE SCHOLAR

Meet

MILAD E SHERIEF MEMORIAL COLLEGE KAYAMKULAM

Now, more than ever, higher education is in a process of transformation. It is rooted in experiential learning and centers on the relationships that people create with each other. **The Student IQAC**, MSM College, Kayamkulam, channelizes all its efforts towards promoting such a holistic development of students. With this intention, we plan to organize a series of webinars for students in the month of August.

The present webinar series on Social Sciences aims at introducing the wide area of social science research and its opportunities to the students. Research scholars from various prestigious universities will share their thoughts and experiences. We hope it to be a fruitful session for our students.

1. Tony Kurian

PhD Scholar, IIT Mumbai, Fulbright-Department of Economics, Massachusetts, Amherst
Topic : Perspective of Social Sciences upon Collective Actions

2. Muhammed Sihabudheen K

PhD Scholar, JNU, New Delhi, Fulbright Fellow-Department of Political Science, Columbia University, New York.
Topic : The Politics of "Don't talk politics and Don't Politicize it".

3. Anu k Antony

PhD scholar, IIT, Mumbai
Topic : The Intimate Covid - Traversing through the Narratives of Dalavil.

4. Aparna Vincent

University of Hyderabad
Department of Economics,
Topic : Academic Thinking and Civic Life.

5. Resmi Balakrishnan Padiyan

PhD scholar, The English and Foreign Languages University, Hyderabad.
Topic : Narrative Interfaces and the Act of Reading

6. Ramshin Rahiman

PhD from university of Hyderabad
Topic : Gender, Education and Empowerment: Empirical Reflections from Kerala.

MILAD E-SHERIEF MEMORIAL COLLEGE

STUDENT IQAC KAYAMKULAM

"A man's mind, stretched by new, ideas may never return to its original dimensions." Students, when magnetized by a new idea are compelled to explore further. With this intention, The Student IQAC, MSM College, Kayamkulam, organizes a series of webinars for students in the month of August.

The present webinar series on Science aims at introducing different perspectives of scientific research and its opportunities to the students. Research scholars from various international universities will share their ideas and experiences. We hope it to be a worthy session.

1. Dr. Sreejith Mangalath
Post-Doctoral Fellow, School of Chemistry & Biochemistry Georgia Institute of Technology, Atlanta, Georgia
Topic: Two Dimensional Nanomaterials for Biomedical Applications

2. Dr. Aravind Krishnan
PhD in Nanophotonics, University of Southern California, Los Angeles, California
Currently working as System Engineer, Rockley Photonics, California.
Topic: Silicon Photonics - The Next Revolution

3. Lithin Karmel Louis
PhD Scholar, Department of Genome Sciences The John Curtin School of Medical Research The Australian National University ANU
Three Minute Thesis Competition 2019 Winner
Topic: RNA Binding Proteins: New Therapeutic Targets for Disease

4. Dr. Tanwisha Chosh
Post-Doctoral Fellow, Centre for Self-Assembly and Complexity (CSC), Institute for Basic Science (IBS), Pohang, Republic of Korea
Topic: An Introduction to Organic Solar Cell

5. Aswani Gopakumar S
PhD Scholar, Research School of Physics and Engineering Australian National University
Topic: Nanoscience, Photovoltaics, Photonics and Nanofabrication

6. Anusree Sivadas
PhD Scholar, John Curtin School of Medical Research Australian National University
Topic: Selective degradation of Genetic Materials

7. Vaisakh V M
PhD Scholar, Department of Physics, Hong Kong University of Science and Technology, Former Research Student, Raman Research Institute, Bengaluru.
Topic: Physical Science - Research & Opportunities

 Webinar Series 2020 - 2021

Department of Botany & Biotechnology
 &
IQAC
 Organizes
International Webinar
 Virtual Episteme 2020
 Webinar - 2
 Date:- 19/08/2020
 Time:- 11.00 am - 12.00 pm
 Topic: "Diet, Genes and Obesity: Implications for Personalized Nutrition"

Milad-E-Sherief Memorial College, Kayamkulam is a Minority Institute affiliated to the University of Kerala and remains the only centre of learning for the socially and economically disadvantaged people in the coastal belt of Alappuzha district in Kerala. MSM College was founded by the late Al-Haj P.K. Kunju Sahib, the part of a visionary and an eminent Minister in the Government of Kerala, as a realisation of his long-cherished dream of cultural advancement of the illiterate people of coastal Travancore. His great mission of imparting instance of knowledge to all, especially to the marginalized, to whom the college was established in 1960. During the long journey of fifty six years, MSM College have been led by veteran persons with clairvoyance and their efforts made the institution as one of the largest education centre having greater student strength in Kerala. Al-Haj P.A. Raja Babu, the manager cum secretary, MSM inst of institutions has been leading the college with great vision and his arduous efforts brought about new UG & PG courses during his tenure. MSM College offer UG and PG Graduate programmes in as many as fourteen subjects and Post Graduate courses in eight disciplines. Department of Botany is one of the premier disciplines and has been running its dual departments of Botany & Biotechnology since 2004. The entire faculty of the department ensure the holistic development of the students and cater their social, cultural needs and put hands together for their epistemological transformation through various programmes, courses on different and concepts of life science.

"Virtual Episteme 2020" - Webinar series
 Highlighting our vision and mission, Department of Botany & Biotechnology in liaison with IQAC, MSM College organizes a webinar series Virtual Episteme as a part of Al-Haj P.K. Kunju Sahib Memorial Webinar Series 2020-2021. During this era, overall situation of Covid-19 pandemic, the initiative virtual episteme envisages the fifteen areas of Bioscience beneficial to all sectors of agriculture.
