GREEN CAMPUS INITIATIVES FOR THE YEAR 2020-2021:

Policy Document for Green Campus Initiative – (2020-2021)

M.S.M. College, Kayamkulam envisions a clean, green campus that promotes sustainable and environmentally friendly practices both on and off campus. A Green Campus is a place where environmentally friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

Greening the campus is all about sweeping away wasteful inefficiencies and using conventional sources of energies for its daily power needs, correct disposal handling, purchase of environment friendly supplies and effective recycling program. Institute has to work out the time bound strategies to implement green campus initiatives. These strategies need to be incorporated into the institutional planning and budgeting processes with the aim of developing a clean and green campus.

To reach out more people and to increase student, staff, and faculty awareness of the importance of implementing sustainable practices in the campus environment and beyond the committee was expanded. All works were systematically planned, executed and documented.

Composition of the Go- Green Committee

1. Principal of the college- Chairperson
2. IQAC Coordinator- Secretary
3. Convenor of the Nature Club
4. Faculty Representative nominated by the Principal
5. Student Representative- General Secretary of the college
6. Non-Teaching Staff Representative- Office Superintendent
7. Parent Representative- Secretary of the Parent Teacher Association
8. Industry Representative- Member of Alumni Association

The Role of the Committee

The Committee seeks views of all the Stakeholders to make the Go Green Campus initiative functional throughout the year. It takes initiatives to organize Awareness Programs for the students, faculty and society. The committee develops strategic plans and creates student teams to carry out specific tasks to be implemented in the Institute during each academic year. The committee conducts Internal audits to ensure efficient environmental activities and sustainable practices.

Objectives:

1. Implement and manage green and sustainable initiatives on campus
2. Monitor and reduce waste in all campus operations and activities
3. To motivate students to adopt environment-friendly practices to save electricity, save water, and use paper and cloth bags

Practices

The institution is committed to managing its campus accordance with its responsibilities towards promoting a sustainable environment. These responsibilities can be demonstrated in the following areas: -

1. Green Environment and Clean Campus through Solid, Liquid, and E-Waste Management
2. Maintenance of water bodies
3. Water conservation management
4. Paperless operating procedure
5. Landscaping with trees and plants
6. Energy use and conservation
7. Air Pollution Management
8. Ban on single-use plastics on campus
9. Waste water Management/ Rainwater harvesting
10. Restricted entry of automobiles
11. Plastic free Campus
12. Tree Plantation Drive
13. Cleanliness Drive
14. Landscaping and gardens
15. Use of LEDs only
16. Turn off your monitor when you leave your Table.
17. Turn off unnecessary lights and use daylight instead.
18. Avoid the use of decorative lighting.
19. Keep lights off in conference rooms, classrooms, lecture halls when they are not in use.
20. Use the fans only when they are needed.

The Institute will make all the necessary efforts to involve the students, faculty and staff in “Green Campus Initiatives” by designating the volunteers of Nature Club, NSS & NCC cadets,

The students are given strict instructions to keep the campus clean. The gardener and housekeeping team are appointed for the maintenance of a liter-free, clean, and green campus. All the departments and class rooms are provided with dustbins for dry waste disposal. All the stakeholders are required to abide by the policy to make the college campus green, clean, and eco-friendly
